

Join us for a cook-out to get Koch out

followed by a march & speak-out

We'll meet on York Avenue,
between 68th and 69th Streets

That's the site of the soon-to-be-built David Koch Pavilion, a new hospital in New York City's wealthiest neighborhood, the Upper East Side, named for New York City's wealthiest resident, oil tycoon David Koch. Koch, with his brother Charles, personally finances many of the most far right-wing causes and organizations in the U.S.

Koch funds:

- ✗ The war on women's reproductive rights
- ✗ The effort to defeat and repeal health-care to all Americans
- ✗ The attack on workers and voting rights
- ✗ The destruction of environmental regulations
- ✗ And many other issues of concern to American women
