Teachers at Kaplan and writers at Scholastic, represented by the Newspaper Guild of New York (CWA Local 31003), are fighting for fair contracts, and they need your help.

## Kaplan:

A year-and-a-half after voting overwhelmingly for Guild representation, teachers at Kaplan International Colleges are still fighting for a contract that provides basic benefits to the 90% of the workforce that is part-time. Management refuses to budge. Kaplan ESL instructors, backed by their students, say enough is enough!

## Scholastic:

Scholastic Inc. employees thought they had a new contract to vote on, but management reneged. Now management is refusing to bargain with the Guild. The talented people who produce Scholastic's educational magazines deserve a fair contract now!
