

BRING YOUR FAMILY TO THE PICKET LINE!  
**VERIZON STRIKE FAMILY & FRIENDS SUPPORT RALLY!**

40,000 men and women at Verizon and Verizon Wireless are still on strike, standing up to rich & powerful interests to make sure the needs of working families are met.

Verizon is trying to make changes that would have a devastating effect on workers and their families. The company wants to offshore more jobs overseas, close call centers, and outsource work to low-wage contractors.

Join us! Let's show Verizon we'll do what it takes to protect middle-class jobs and working families in this country.
